**Dear Jazz Fan:**

**On behalf of the Coastal Jazz Association of Savannah (CJA) Board of Directors, the dozens of annual festival volunteers, and the thousands who flock to the annual Savannah Jazz Festival (estimated at 30,000+ last year), I urge you to consider CJA in your directed gifts program(s) for 2011.**

**The Savannah Jazz Festival is the largest of Savannah's free festivals. We attract an amazingly diverse crowd: all ages, socio-economic and ethnic groups, from a broad geographic area. The festival is presented outside, inside, and all over town! The highlight is four days of great jazz in beautiful Forsyth Park -and- thanks to generous donors like you and the City of Savannah Cultural Affairs, it is all FREE.**

**To continue the tradition of bringing great *jazz* to Savannah, we need your support. Your donation will support CJA's commitment to bringing a world class festival to Savannah. There are many levels to support this most American of art forms: you may donate on a sliding scale that offers sponsorship of an artist, an event, or a whole night of *jazz* -or- perhaps underwrite the entire festival. You may donate in your name, that of your business or in the name of someone you wish to honor. The more support you give the bigger and better the annual festival will be.**

**I hope we can count on you. If considering donations and support of worthy causes that bring joy and serve young and old, please consider CJA. We are a strictly voluntary effort (no paid personnel other than performers and production). We deeply appreciate all of the help we get!**

**You may forward your tax deductible contribution to the address listed above. Please do not hesitate to contact me if you should have any questions. Thanks again for your support, and we look forward to seeing you at the festival!**

**And please, even if you choose not to support the Coastal Jazz Association; SUPPORT THE ARTS IN SAVANNAH.**

**Sincerely,**

**Ben Tucker, President  
Coastal Jazz Association**

*Coastal Jazz Association is 501(c) (3) Non-Profit Organization and depends on your generous support to continue our mission to promote Jazz in Savannah*

***Thanks for your support***
